SOULFUL LIVING

“ It’s all about finding
the calm amongst the chaos. ”

Donna Karan

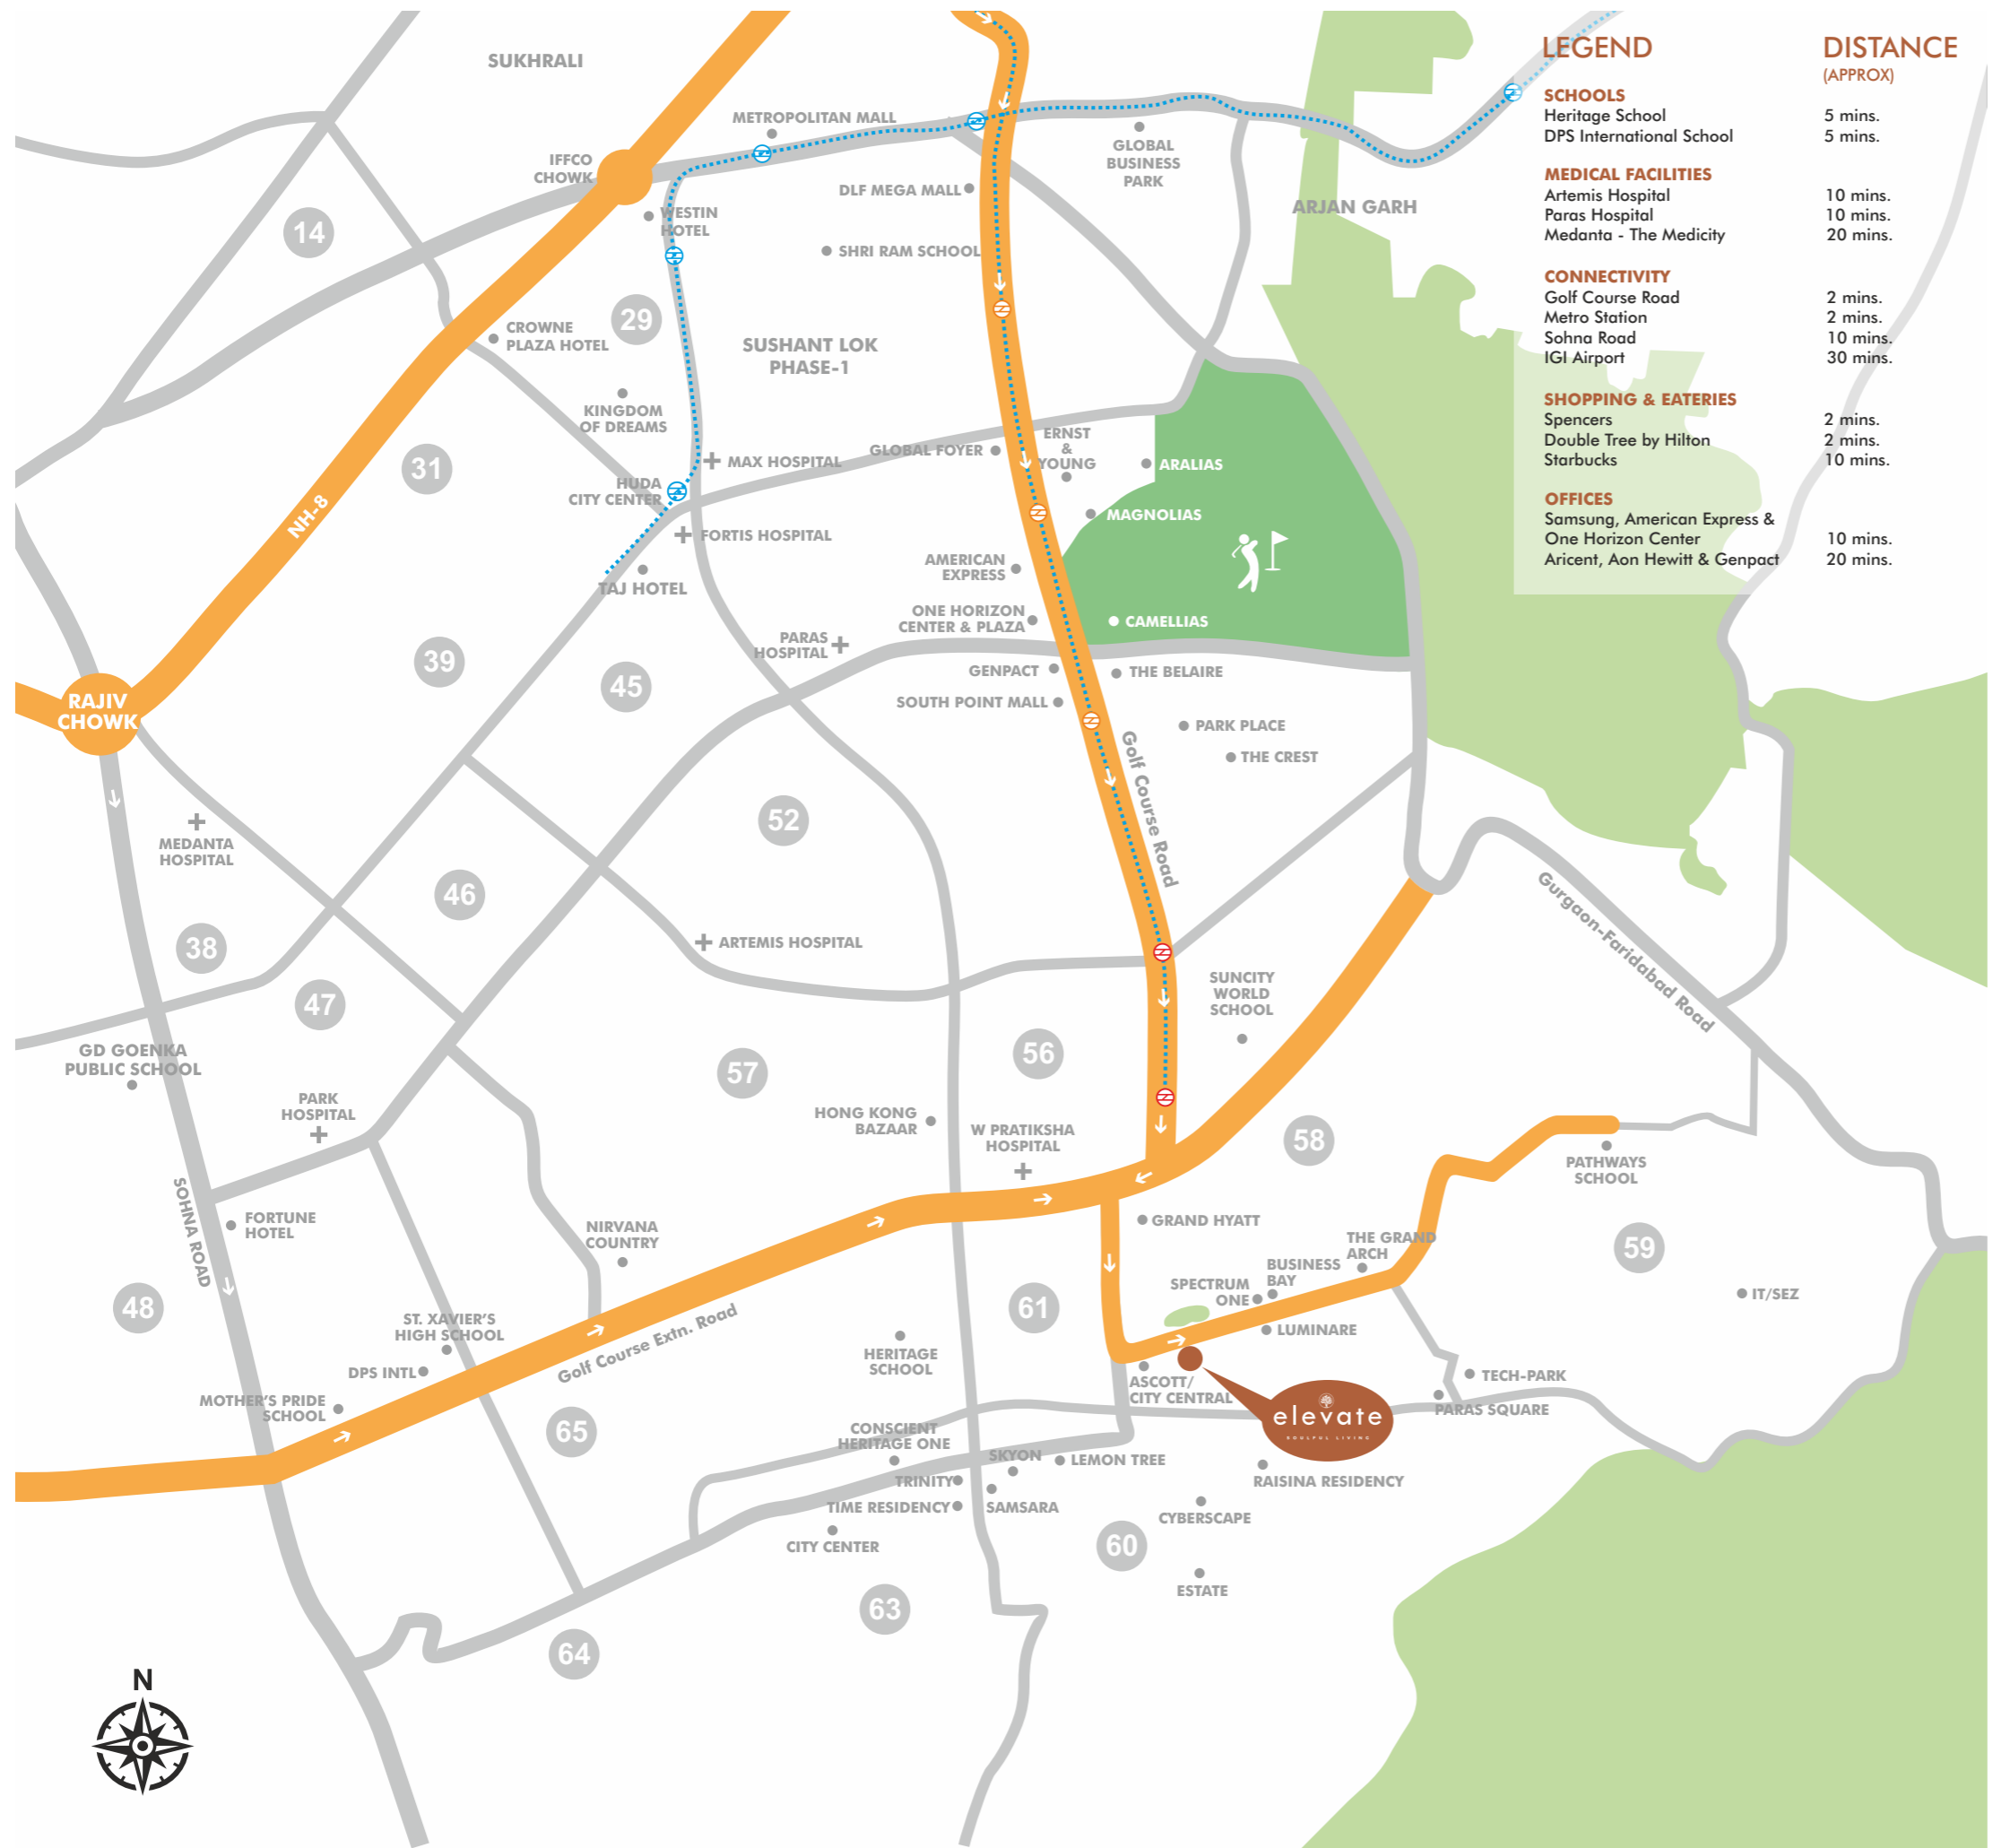

Image is an artistic conceptualisation and does not purport to represent the exact product.

SOULFUL LIVING

Enter a haven of peace which is envisioned to be the home you always dreamed of. Beautiful living spaces combining luxe living and modern functionality, designed by the world's leading architect.

We believe that luxury is what luxury does.

An island of bliss where children play, families live in harmony and elders can enjoy peace and tranquility. We aim to create a perfect balance between man and nature, so our residents can get a break from the stressful world outside without feeling disconnected.

IT'S ALL ABOUT THE LOCATION

- Located off the Golf Course Extension Road, sans traffic and dust, with direct connectivity from both Delhi and Gurugram, Elevate enjoys lush views of the Aravallis in a premium upscale neighbourhood.
- It neighbours proposed high-end developments like a five-star hotel, office, premium retail and serviced apartments which ensure high sales and rental values.
- Gurugram is the fastest growing city in the NCR region close to the busiest airport in the country, the highest concentration of top-notch multinational employers and social infrastructure (schools, hospitals, retail and entertainment).

Map not to scale. The map is not necessarily accurate to surveying or engineering standards. The map shown here is for illustration purposes only. It does not represent the ground survey and represents only the approximate relative location and boundaries. The location map depicts an indicative and selective representation of certain key developments around the Project. The Developer makes no representation regarding continuity / existence of these developments / landmarks going forward. The driving time indicated is tentative and actual time may vary, depending upon traffic and other conditions.

LUXURIOUS BUT GROUNDED

- The grounds are planned in European style where the facade is a symmetrical composition of high-rise blocks shading the Winter Garden. The buildings are set on an elevation to give the feel of free space on the ground floor.
- Dense peripheral landscaping filters dust and external noise.
- A grand Central Water Spine accentuates the axis of the beautifully landscaped 'Winter Garden'.

FUTURE DEVELOPMENTS

- 20 Retail & Banquet Tower D & E

The Project (Towers A, B & C along with listed amenities and facilities) forms part of the ~ 7.7 acres Group Housing development duly approved vide License Nos. 16 & 28 of 2008 and License No. 44 of 2011. The Master Plan is as per the revised Building Plans which were approved by the Office of the Director General, Town & Country Planning Department, Haryana vide DGTCPC office memo No. ZP-409 /SD (DK) / 2019 / 10517 dated 25th April 2019. The Project has been registered with Haryana RERA (Gurugram) vide registration number 19 of 2019 and the details of the Project are available on the website www.haryanarera.gov.in under registered projects. All the approvals can also be verified in the office of the Developer. The Developer reserves the right to get the approved Building Plans revised at any stage till the completion of the Project in accordance with the applicable law. Parts shown as 'Future Development' are planned to be developed in subsequent phases as per applicable laws.

VEHICLE FREE OPEN SPACES

- With an exclusive drop-off zone in the basement, the ground level is vehicle free to give you a soothing and tranquil living experience.
- Enjoy complete peace of mind while your child plays freely in the open green spaces.
- With a central water spine, pet park, children's play area, and jogging / walking track, it's your own secure haven with myriad outdoor activities.
- Inward looking stone clad arcade weaves the residential blocks together and creates a shaded walkway for the residents overlooking the central courtyard.

GRIHA PRE-CERTIFIED PROJECT

- Welcome to a holistic home with well thought out eco-friendly features to ensure a responsible lifestyle – a lifestyle that compliments ecology and is sustainable.
- Elevate is a 4 Star GRIHA pre-certified project, designed with environmental sensitivity as a key component.
- Solar power use, optimized building design to reduce consumption of conventional energy, segregated (bio-degradable and non bio-degradable) 2 chute garbage collection system, air-conditioning technology that minimizes ozone depleting substances (CFC/HCFC), and rain water harvesting for water efficiency are amongst the few measures that have earned us the certification.

THE HEART OF THE MATTER: APARTMENT DESIGN AESTHETIC

Only two apartments per elevator (lift) bank for exclusivity and privacy.

- Three side open apartments for maximum light and cross ventilation.
- 8'-6" high windows and sliding doors that face north, south and best views, maximum day light, energy efficiency and winter sun.
- Living rooms have a corner window for maximum view, sunlight and openness.
- A large balcony is an extension of the living room that allows the space to expand when needed and provides outdoor living during good weather.
- Thoughtfully designed, large bedrooms and living spaces to maximize efficiency and space.
- Spacious, well laid out kitchens connect to a large, shaded utility balcony for laundry and other service usage.
- A separate entrance to the utility room from the service area helps keep two segregated accesses for residents and domestic staff.

HOMES PLANNED WITH AN EYE FOR DETAIL

Well-lit and ventilated homes, designed with a meticulous eye for the finer details are sure to impress the aesthete in you. Step into the living room and a breathtaking panoramic view of the surroundings will unravel. Spacious L-shaped balconies in all three-bedroom homes provide you with an unrestricted view of nature. Separate service elevators are incorporated for greater privacy and luxury.
